

Verity 340B[®] Contract Pharmacy

Maximize your 340B savings

Verity 340B[®] Contract Pharmacy is a comprehensive offering that gives covered entities the opportunity to capture eligible 340B prescriptions filled at retail pharmacies. Additionally, you can extend your Contract Pharmacy 340B savings by leveraging our preferred Specialty and Infusion partnerships.

COVERAGE

Verity Solutions engages and recruits contract pharmacies on behalf of covered entities

ADMINISTRATION

Assist retail pharmacies to obtain proper registration with the Office of Pharmacy Affairs (OPA)

REPORTING

Detailed reports and dashboards provide a complete audit-ready view into program performance and activity

COMPLIANCE

User-friendly tools and reports to monitor and validate compliance

REPLENISHMENT

Manages and automates 340B replenishment, including tools to enable retail pharmacies to self-order; thus, minimizing costly bulges in inventory levels
