

Verity 340B[®] Contract Pharmacy

Maximize your 340B savings

Verity 340B[®] Contract Pharmacy is a comprehensive offering that gives covered entities the opportunity to capture eligible 340B prescriptions filled at retail pharmacies. Additionally, you can extend your Contract Pharmacy 340B savings by leveraging our preferred Specialty and Infusion partnerships.

Coverage

Verity Solutions engages and recruits contract pharmacies on behalf of covered entities.

Administration

We assist retail pharmacies in obtaining proper registration with the Office of Pharmacy Affairs (OPA).

Reporting

Detailed reports and dashboards provide a complete audit-ready view into program performance and activity.

Compliance

User-friendly tools and reports to monitor and validate compliance.

Replenishment

Manages and automates 340B replenishment, minimizing costly inventory swell and eliminating true-ups.

Patient Discounts

Configurable solutions for the uninsured and underinsured with the Verity Care Card, passing 340B savings directly to patients.

Referrals

Streamlined referral capture processes using advanced referral prescription capture tools for 340B eligible prescriptions.
