

Verity 340B[®] Audit & Compliance Services

We're here to help you prepare for a HRSA Audit.

Spend less time preparing for audits – and worrying about them – with our 340B Compliance Services. Our experts have helped hundreds of healthcare organizations simplify 340B compliance with an end-to-end audit program that will prepare you for the inevitable HRSA audit.

Policies

Review of relevant policies and procedures and how they are operationalized in your organization.

Eligibility

Verification of eligibility, including GPO and outpatient clinic eligibility.

Verification

Verification of internal controls to prevent diversion and duplicate discount.

Reviews

Review of 340B program compliance at covered entity, outpatient (or associated) facilities, and contract pharmacies.

Quality Control

Sampling of 340B drug transaction records for validation.

Partners

We can be on-site to help you through HRSA and manufacturer audits, every step of the way.
